

# INTERNATIONAL SEARCH REPORT

International application No.  
PCT/SG2004/000382

<b>A. CLASSIFICATION OF SUBJECT MATTER</b>																						
Int. Cl. <sup>7</sup> : G06F 19/00, 17/30, G09B 5/02																						
According to International Patent Classification (IPC) or to both national classification and IPC																						
<b>B. FIELDS SEARCHED</b>																						
Minimum documentation searched (classification system followed by classification symbols)																						
Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched																						
Electronic data base consulted during the international search (name of data base and, where practicable, search terms used) DWPI, USPTO, PCT, internet (MIRC, PACS, medical, teaching file, authoring, etc.)																						
<b>C. DOCUMENTS CONSIDERED TO BE RELEVANT</b>																						
Category*	Citation of document, with indication, where appropriate, of the relevant passages	Relevant to claim No.

## INTERNATIONAL SEARCH REPORT

Information on patent family members

International application No.

PCT/SG2004/000382

This Annex lists the known "A" publication level patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.

Patent Document Cited in Search Report		Patent Family Member
CA	2244549	NONE
US	2003208477	NONE
US	2004107210	NONE

Due to data integration issues this family listing may not include 10 digit Australian applications filed since May 2001.
